

CREATING ACCESS TO GENERAL ED CLASSROOMS AND CURRICULUM

BY: Douglas Fisher

Presenter

Douglas Fisher, Ph.D., is Associate Professor in the Department of Teacher Education at San Diego State University. He has taught a range of courses in SDSU's teacher-credentialing program as well as graduate and doctoral level courses on English language development and literacy in the College of Education. Dr. Fisher's background encompasses adolescent literacy and instructional strategies for students with diverse needs. He often presents at local, state and national conferences and has published a number of articles on reading/literacy, differentiated instruction, accommodations, and curriculum.

Workshop Description

Day 1 - Session A

- Learn lessons from inclusive schools through stories, photos and videos.
- Learn to use helpful tools such as the infused skills grid and student profile to communicate more effectively with general education teachers.

Day 2 - Session B

- Roles and responsibilities of special educators in inclusive schools.
- Accommodations and modifications – learn what they are and how to develop them.
- Lesson planning tools and examples of modified lessons.

Target Audience

General Education Teachers, Special Education teachers and Administrators.

After hours training – Workshop rates will be paid

2-Day Training – Must attend both days.
