Anne Donnellan, Ph.D.

Jodi Robledo, Ph.D.

Steve Dionne

Bev Harp

Diana Pastora Carson, M.Ed.

Stephen Hinkle

And More!

Conference Description:

The Autism Institute presents national and international experts to talk about personalized supports and instruction for children, adolescents and adults with learning, sensory, and movement differences. Real supports start with understanding the true nature of each individual and the teaching, social, and fun accommodations to support communication, learning, and relationships. Come join us for a truly unique experience!

Daily Schedule, Speaker Bios, and Session Descriptions at www.sandiego.edu/autisminstitute
