

Oak Park Music Conservatory with Enriched Studies (K-5)

Mission, Vision and Goals

Mission Statement

The school's ethnic and cultural diversity is an asset. All children and their parents are valued at Oak Park School. Our diverse school community believes Oak Park is a special place for children.

Our mission is to provide a nurturing and enriched program to develop the whole child and recognize each individual's abilities, talents, and needs.

Vision Statement

The vision is for the school to have an inviting atmosphere where students are surpassing their potential academically and musically. A place where students are playing their instruments during recess and lunch just because they want to and a school where music flows from all classrooms at all times in the day.

SMART Goals:

- Academic goal: By June 2009, a minimum of 53% (from 45% = 257/571 of students to 53% = 303/571 students) of the students will attain proficiency or better (an 8% gain = 46 students) as measured by CST in ELA in grades 2 – 5.
- Academic goal: By June 2009, a minimum of 61% (from 53% = 303/571 of students to 61% = 348/571 students) of the students will attain proficiency or better (an 8% gain = 45 students) as measured by CST in Math in grades 2 – 5.
- Academic goal: to maintain a well-rounded academic program for all students.
- Magnet program goal: To have students' proficient in the study of music theory, performing techniques and etiquette,
- Magnet program goal: Continual integration of music into all areas of the curriculum.
- Magnet program goal: To instill a life long love of music appreciation
- Magnet enrollment goal: To maintain our 51% non-resident enrollment.

- Other school goal: To build leadership, responsibility, self-motivation, teamwork, dedication, self-discipline, and a commitment to community involvement.
