

Privacy Act Statement

Privacy Act Statement: National School Lunch Act (Section 9) requires that, unless your child's Food Stamp, California Work Opportunity (CalWORKS), Kinship Guardian Assistance Payment (Kin-Gap), or Food Distribution Program on Indian Reservation (FDPIR) case number is provided, you must include the social security number of the adult household member signing the application or indicate that the household member signing the application does not have a social security number. Provision of a social security number is not mandatory, but the application cannot be approved if a social security number is not provided or an indication is not made that the signer does not have such a number. The social security number may be used to identify the household member in carrying out efforts to verify correct information provided on the application. These verification efforts may be carried out through program reviews, audits, and investigations; and may include contacting employers to determine income, contacting the State's Employment Development Department or local welfare offices to determine the amount of benefits received, and checking the documentation produced by household members to prove the amount of income received. Reporting incorrect information may result in loss or reduction of the household's program benefits, or in administrative claims and/or legal actions against household members.
