

GATE Certification

GINT-81419/EDUC 31197

The Education Department offers a comprehensive foundational training and certification program for elementary and secondary teachers working with diverse student populations. The training consists of three required components:

1. **Foundational knowledge and competencies** (week-long summer intensive)
2. **Assessment, Tiering and Compacting** (daylong follow-up training offered during the school year)
3. **Specialty area training** (offered during the school year--choose two):
 - Iconic teaching/content imperatives
 - Independent Study
 - Choice/Learning Menus
 - Kohlberg/Taba/Inquiry/Problem-Based Learning
 - Socratic Seminars

Participating teachers **must** complete all three program components to receive University certification. Three semester units of university credit are available at additional cost. **Please enroll in ONE Cohort:**
