

Imagine a high school with only 400 students where each student has access to the most advanced classes, a personalized plan to succeed in high school and beyond, and an adult who mentors and supports them. Imagine no further because this IDEA's time has come...

Invention and Design Educational Academy

Electives offered at IDEA include:

- Pre-Engineering & Design
- Principals of Engineering
- CAD Drafting
- Web Design
- Auto
- Business Environments
- Computer Applications
- Invention & Society

“Our students are given the personalized educational environment they need to thrive.”

From automobiles to lasers, televisions to zippers, inventions and new designs make our lives more comfortable, stimulating and efficient. The Invention and Design Educational Academy (IDEA) provides students with **PERSONALIZED OPPORTUNITIES** to explore their community, country and world, as well as their own lives as shaped by new inventions and technology.

We provide students with the opportunity to work on real world and inquiry-oriented projects throughout the **COLLEGE PREPARATORY** curriculum in a smaller, more personalized learning environment.

Students can take advantage of **SPECIAL FEATURES** offered

at IDEA, including:

- Daily student advisory
- Science fairs
- Local and national academic competitions
- Clubs and internships
- Experiential excursions
- Organizational tutorial
- Student leadership

At IDEA, each student can **EXPLORE** his or her interests and curiosity while receiving the highest standard of education possible. We are reinventing education to meet student needs.

IDEA students will have the opportunity to participate in activities including AP Spanish, AP English, AP US History, AP Biology, Yearbook, Art, Dance, PE, ASB, Prom, Homecoming, Athletics, and JROTC with the entire student body of the Crawford High Educational Complex.
