

Imagination. Creativity. Inspiration. Design.

Visualize yourself in a career where you can express your creativity everyday, designing and creating videos, web designs or graphic art.

Visualize yourself at the Multimedia Visual Arts School (MVAS)

We provide our students with exciting art and computer experiences and the opportunity to develop skills in the professional field of their choice in a smaller, more **PERSONALIZED** learning environment. Career development programs including internships and other professional art opportunities are also available for students interested in pursuing a career in multimedia and visual arts.

Art courses include:

- Art 1 & 2
- Color & Design
- Drawing & Painting
- AP Studio Art
- Commercial Art

Multimedia courses include:

- Video Production
- Computerized Graphic Design
- Web Design

“We are preparing our students to find success in their creative talents.”

At MVAS, we integrate art and multimedia concepts throughout the entire curriculum. Students can take advantage of our **SPECIAL FACILITIES** and features, including four computer labs, large art facilities, an outdoor working space and Spectrum, MVAS’s personalized advisory program.

If you have a **CREATIVE** talent, MVAS’s design-based curriculum can help you to foster and attain your creative goals in the multimedia and art industries. Imagine the possibilities. Make the choice to attend MVAS.

MVAS students will also have the opportunity to participate in activities including AP Spanish, AP English, AP US History, Yearbook, Art, Dance, PE, ASB, Prom, Homecoming, Athletics, and JROTC with the entire student body of the Crawford High Educational Complex.
