

Have you ever thought of owning your own business or becoming a police officer or attorney? If so, Crawford High's School of Law and Business is the place for you.

School of Law and Business

At the School of Law and Business, we allow our students to **EXPLORE** their interests in law enforcement, the legal system and business in a rigorous college preparatory curriculum that enables students to successfully meet the challenges of continuing education and future careers.

Our smaller, more personalized learning environment produces **RICHER** students, who are **R**espectful of others, have **I**ntegrity and **C**onfidence, are **H**onest, exert **E**ffort and are **R**esponsible.

Law courses include:

- Career and Life Management
- You & the Law
- Forensics
- Law Office Procedures

Business courses include:

- Virtual Enterprise
- Computerized Accounting
- Business Management & Ownership
- Business Environments
- Computer Applications

“We are creating the legal and business leaders of the future.”

Specialty Pathway courses on law and business topics allow students to study their interests with opportunities to gain real world **EXPERIENCE** from hands-on business training and legal programs such as Teen Court, job shadows, internships and college tours.

Take one step closer to a **SUCCESSFUL** future with the School of Law and Business. We are creating the legal and business leaders of tomorrow by providing the optimal educational environment for students today.

Students of the School of Law and Business will be able to participate in activities including AP Spanish, AP English, AP US History, Yearbook, Art, Dance, PE, ASB, Prom, Homecoming, Athletics, and JROTC with the entire student body attending the Crawford High Educational Complex.
