

School of Business

“We are producing the business leaders of tomorrow, one student at a time.”

Are you looking to get an edge on a future career in business? With real world experiences and a personalized learning environment, the **School of Business** will prepare you to excel in the business-related career of your choice.

Specific business focuses at the School of Business include:

- Finance
- Sales and Marketing
- Entrepreneurship

Additional focuses may include:

- Culinary Arts Management
- Real Estate and Mortgage

At the School of Business, we provide a rigorous college preparatory curriculum, with a personalized advisory period and an emphasis on project-based learning. Students will also have the opportunity to take supplementary business courses at area community colleges, as well as experience working with our professional business partners through internships, job shadows and on-the-job training.

Students of the School of Business will have opportunities to take AP courses, and to participate in activities including ASB, Prom, Homecoming, Athletics, and JROTC with the entire student body of the San Diego High Educational Complex.

At the School of Business, we are equipping our students with the skills they need to thrive in continuing education and future careers. We can put you one step further on the road to success.

Special classes offered at the School of Business include:

- BUSINESS MANAGEMENT AND OWNERSHIP
- ACCOUNTING
- MARKETING
- MEETING AND EVENT PLANNING
- CULINARY ARTS MANAGEMENT
- BUSINESS AND FINANCIAL MARKETS
