Timeline for Delivery of District Services/Products

The Grant to Reduce Alcohol Abuse will end June 2005

Delivery Logistics of District Services/Products

San Diego City Schools provides a “Training Schedule” for all counselors. They receive training on specific programs throughout the year. We do contract with third-party providers, outside of the district, to provide some of the trainings. Other trainings are provided by district staff already trained as “trainers of trainers.”

Academic Assessment of District Services and Impact (if any) on Improvement to Title I Services

N/A

Size/Scope of Resources Allocated by District to Deliver Services/Products

The Grant provides for two counselors to coordinate program training. Schools may apply to attend any of our Drug and Violence prevention trainings. There is no per student funding available.

Determination of Private School Children from Low-Income Families

All students are eligible, Grades 7-12.
