

Training & Support Bulletin

Zangle and Opening of School!

Information about Zangle and opening of school will be coming soon! Please check email and bulletins regularly for details and links to documentation. Upcoming information will include Remote Transfer, locking of Track Editor, things you need to check before school starts, daily student counts, and more.

Zangle Tip!

Prevent duplicate contacts by searching for a contact before entering a new contact.

(NOTE: Duplicate contact records for a parent results in that parent receiving multiple phone calls from Connect-ED.)

This week's Training Classes!

(For Power Users)

- Sign-up to attend classes in Zangle Critical Skills training
- Check that all staff can log in to Zangle successfully

For more info, see job aid "*Opening of School Guide for Power Users*".
