Action Required!

Please log out of Zangle by 6:30 PM
TODAY, Monday, 10/19/09.

The IT Dept will apply a hot fix to Zangle to correct the following:

1. Errors when viewing student profiles in ZangleConnection
2. Errors when printing Class Seating Charts with Photos
3. Slow performance

Notice!

(for Elementary SBRC)

DO NOT modify "Enrolled Before" and "Exited After" dates. IT will populate these dates for you as per [Admin Circular 79](#).

A Workaround:

(For TeacherConnection Attendance)

If you encounter an error when taking/reviewing attendance by period, uncheck the "By Period" checkbox and take attendance by section/class, instead. This problem is being worked on...
