Dear Principal:

On behalf of the Independent Citizens' Oversight Committee (ICOC) for Proposition MM, it is my pleasure to present to you our 2007 Annual Report.

*Proposition MM* – Passed by San Diego voters in 1998, Proposition MM provides \$1.51 billion toward \$4 billion of needed repair, modernization and construction projects at San Diego Unified School District schools. As the largest public works project in San Diego, Proposition MM has improved our schools, created new opportunities for local businesses, and provided prevailing wage jobs for local workers.

*ICOC* – Comprised of 11 volunteers, the ICOC is an oversight group created by the Board of Education to monitor all aspects of the Proposition MM program to ensure fiscal accountability and completion of all work as promised to voters.

*Annual Report* – The Annual Report includes information about the status of the Proposition MM program, how bond funds have been spent, accomplishments during 2007, and expectations for 2008.

We would greatly appreciate if you would distribute copies of the enclosed reports to your staff and key parents such as members of your Site Governance Team and PTA board. Please make the remainder available in a reception area, a kiosk, or as you deem appropriate.

If you would like additional copies of this report, please contact Leigha Cook at (858) 637-3609. For more information about Proposition MM, or to download this report, visit the ICOC's website at [www.propmm.com](http://www.propmm.com).

Thank you for your assistance in distributing this report. We sincerely appreciate your continued support of Proposition MM.

Sincerely,

Dorothy Leonard, Chair  
Independent Citizens' Oversight Committee
