DISTRICT MASTER CALENDAR**

The Master Calendar is designed to help employees track and plan major district events. The calendar is managed by the Teacher Preparation and Student Support Division and is updated on a regular basis. The calendar should be checked for date availability and a Master Calendar Submission Form (http://www.sandi.net/staff/calendar/master_calendar_submission.aspx) should be completed prior to scheduling an event. Every effort will be made to accommodate a request. If there's a conflict, Teacher Preparation and Student Support will help facilitate the selection of an alternative date. Once a date is confirmed, the event will be posted on the Master Calendar. For information, contact Lucy del Valle at ldelvalle@sandi.net or (619) 725-7142.
