Schools and parents must jointly develop and agree on a written site Title I Parent Involvement Policy and Home/School Compact and distribute a copy of the policy and compact to parents of participating children by November 4, 2005.

The site Title I Parent Involvement Policy, as incorporated into the school site plan, establishes the school's expectations for parental involvement and describes how the school will implement a number of specific parental involvement activities. Title I requires the Parent Involvement Policy to include the following:

- An annual meeting to inform parents of the Title I Program and its requirements.
- A flexible number of meetings to allow for parental involvement and to provide opportunities for parents to make suggestions and receive timely responses to suggestions.
- An organized, ongoing, and timely way in which to involve parents in the planning, review, and improvement of programs.
- A process for providing parents timely information about the program, individual student assessment results with interpretations, school curriculum, types of assessment, and proficiency levels students are to meet.

The parent center is used to advertise parent meetings and training sessions offered at *Name of School*, at the District Advisory Council's Harold J. Ballard Parent Center, and throughout the district. Every attempt is made to contact parents in the language of the parents.
- During parent meetings, opportunities will be offered for the formulation of parental suggestions. Responses to their suggestions will be reviewed in a timely fashion, if possible, by the next scheduled meeting. Topics that are appropriate for SSC review/action will be placed on the agenda for the next regularly scheduled meeting by the school administration.
- Parents are notified annually of individual student assessment results by the Research and Reporting Department and Testing Department. An explanation of the information is available in several languages.
