

SAN DIEGO UNIFIED SCHOOL DISTRICT

Date: June 4, 2008
To: All High School Principals; Assistant Superintendents
Subject: TIMELINES AND REMINDERS FOR TRACKING, REPORTING, AND CERTIFYING GRADUATION DATA FOR 2007-08

Department and/or Persons Concerned: Principals, Vice Principals, Registrars, School Secretaries, and Clerks

Due Dates:

- 1) Follow all timelines outlined in the 2007-2008 Student Information System (SIS) Annual Calendar.
- 2) Complete and submit the *Principal's Certification of Graduates* form after each graduation event (e.g., mid-year, June commencement, end of Summer School, and October 1). *Specific due dates are listed in the Graduation Documents section of the SIS Annual Calendar.*

Reference: Administrative Procedure 5609, *Printing of Graduation Lists and Programs, Diplomas, and Certificates*
Administrative Procedure 4770, *Graduation from Senior High School*

Action Requested: Review procedures and complete outlined tasks by listed due dates.

Attachments:

- 1) 2007-2008 SIS Annual Calendar, *Graduation Documents* Section
- 2) *Principal's Certification of Graduates*

Brief Explanation:

Administrative Procedures 4770 and 5609 address graduation from senior high school, including preparations for graduation (i.e., verifying document type and student information) and requirements for graduation. Several notable reminders related to these procedures are described below.

SIS Annual Calendar, Graduation Documents Section

The *Graduation Documents* timeline (Attachment 1) in the SIS Annual Calendar lists specific events and due dates related to the identification, processing, and receipt of graduation documents. This timeline is also available online at <http://www.sandi.net/depts/it/SISAnnualCalendar.pdf>. Please refer to this document frequently to ensure that your school site is meeting the processing and reporting timelines.

Note: After each graduation event (e.g., mid-year, June commencement, end of Summer School, and October 1), graduation status data must be correctly entered into the Grad Doc and a signed *Principal's Certification of Graduates* form must be provided to the Assistant Superintendent and the Standards, Assessment, and Accountability Division. **Due dates specific to each graduation event are listed in the Graduation Documents section of the SIS Annual Calendar.** Additional information related to the *Principal's Certification of Graduates* form is addressed on page 3 of this Administrative Circular.

Graduation Documents for the Class of 2008

Listed below are the four types of documents available for the Class of 2008. The requirements for each document are also provided.

Diplomas with Academic Distinction are awarded to students who:

- (1) Meet all requirements for graduation, *and*
- (2) Attain a weighted grade-point average (WGPA) of 3.50 or higher in Grades 10, 11, and the first semester of Grade 12, *OR*
- (3) Complete fourteen (14) semester credits of designated, academically rigorous coursework with grades of “A” or “B” in Grades 10-12.

Diplomas are awarded to students who:

- (1) Meet all general and course requirements for graduation, *and*
- (2) Attain a weighted grade-point average (WGPA) of 2.00 or higher in Grades 9–12 by the completion of the spring semester or by the end of summer school (for summer school graduates), *and*
- (3) Present a senior exhibition that meets school-site criteria, *and*
- (4) Pass both portions (English Language Arts and Mathematics) of the California High School Exit Examination (CAHSEE).

Certificates of Course Completion are presented to students who:

- (1) Meet all general and course requirements for graduation, but who attain a weighted grade-point average (WGPA) of less than 2.00 in Grades 9–12 by the completion of the spring semester or by the end of summer school (for summer school graduates), *and/or*
- (2) Do not present a senior exhibition that meets school-site criteria, *and/or*
- (3) Have not passed both portions (English Language Arts and Mathematics) of the California High School Exit Examination (CAHSEE).

Note: 1) Students receiving *Certificates of Course Completion* are **not eligible** to participate in commencement exercises. 2) Students awarded *Certificates of Course Completion* may continue to be enrolled in comprehensive high schools or in the Adult Education High School Diploma Program in order to complete graduation requirements and earn district high school diplomas.

Letters of Recognition are presented to non-diploma-bound special education students who do not meet all requirements for graduation, but who have completed all goals and objectives of their individualized education programs (IEP). A *Letter of Recognition* can be issued at the completion of the student’s educational program, which can be at the end of Grade 12, or after completing a special education program beyond Grade 12. Students receiving *Letters of Recognition* are **eligible** to participate in commencement exercises.

Principal's Certification of Graduates

For the 2007-08 academic year, a *Principal's Certification of Graduates* form (Attachment 2) **must be completed after each graduation event** (e.g., mid-year, June commencement, end of Summer School, and October 1). **Due dates specific to each graduation event are listed in the Graduation Documents section of the SIS Annual Calendar.**

The *Principal's Certification of Graduates* form serves as an assurance that:

1. a) All students receiving diplomas have completed all graduation requirements,
- b) Students who did not meet all graduation requirements but received a diploma were granted waivers by the principal, **and**
- c) Graduation status data have been correctly entered into the district's data system.

OR

2. There were no students who received diplomas at this graduation event.

Per Administrative Procedure 4770, waivers to the district graduation requirements may be granted in specific cases with compelling circumstances. Principals have the authority to grant waivers and will make the determination on a case-by-case basis. (Note: The CAHSEE graduation requirement is state-mandated and may not be waived by the principal.) The names of all students granted waivers as well as student ID numbers, specific graduation requirement(s) waived, and rationale for the waiver must be listed on the *Principal's Certification of Graduates* form. The certification form must be signed by the principal and a copy must be provided to the Assistant Superintendent and the Standards, Assessment, and Accountability Division **after each graduation event. Due dates specific to each graduation event are listed in the Graduation Documents section of the SIS Annual Calendar.** The original, signed document should be retained at the school site.

Summer Diplomas

As a reminder, the following language regarding students who complete graduation requirements during or after summer school was updated in Administrative Procedure 4770.

While students may not participate in June commencement exercises at the individual high schools if they have (a) earned fewer than 44 credits in required coursework, (b) attained less than a 2.0 WGPA in Grades 9-12, (c) failed to present a senior exhibition that meets school-site criteria, and/or (d) not passed the CAHSEE, they have until the end of summer school following their senior year to complete all requirements in order to receive a diploma with their graduating class (i.e., with the same "Class of" date).

Students who complete all graduation requirements by the end of summer school following their senior year (and receive confirmation by October 1 that they have passed both portions of the CAHSEE as of the July administration) may also receive diplomas with their graduating class (i.e., with the same "Class of" date). This October 1 "graduation event" is available only as an accommodation for students who 1) completed all district graduation requirements by the end of summer school following their senior year and 2) participated in the July administration of the CAHSEE and received notification by October 1 that they have passed both portions of the exam.

Students who did not complete all district graduation requirements after the end of summer school following their senior year and/or who have not passed both portions of the CAHSEE by the July administration will receive their diplomas with the next year's graduating class.

For additional information about graduation requirements or Administrative Procedure 4770, please contact the Standards, Assessment, and Accountability Division at 619-725-7166. For information regarding graduation timelines, please contact the Assistant Superintendents' offices at 619-725-7237.

Karen Bachofer
Executive Director
Standards, Assessment, and Accountability Division

APPROVED:

A handwritten signature in black ink, appearing to read "Geno Flores". The signature is fluid and cursive, with the first name "Geno" and last name "Flores" clearly distinguishable.

Geno Flores
Deputy Superintendent

Graduation Documents

Definition: Graduation name, type of document, graduation date and other information about students expected to complete graduation requirements for a given school year are collected and maintained on central database files. The information is used for reports to the Board of Education, and for the printing of graduation documents and commencement programs. Non-grads are defined as students who were reported to the Board of Education (in May) as expected to graduate, who subsequently do not complete requirements by the end of traditional (track T) summer school.

NOTE: ADDITIONAL DOCUMENTATION AND SCHEDULES WILL BE PUBLISHED IN CONJUNCTION WITH RELEASE OF A GRADUATION DOCUMENT MODULE IN ZANGLE.
