Brief Explanation:

January 2009 is the **annual** open enrollment period for permanent employees who wish to participate in the Classified Catastrophic Leave Bank. Employees in the (OTBS), (OSS), and (PARA) bargaining units must donate a minimum of one (1) or more days of full salary sick leave or one (1) or more days of full salary vacation day to the bank annually, in order to be a member of the Bank for the calendar year. Donating one or more days qualifies the employee for membership in the bank should they ever be in need of a donation of sick leave days and assists other employees who are catastrophically ill or injured.

The attached material provides detailed information regarding the Classified Catastrophic Leave Bank. If you wish to participate in the program, please complete the attached enrollment donation form and return it to the Human Resource Services Division, Room 1241, during the open enrollment period, which ends January 31, 2009. It is the responsibility of the employee to make an annual donation to the Bank in order to maintain membership.

Classified Catastrophic Leave Bank Information

- ***What is the Classified Leave Bank?***

The Classified Catastrophic Leave Bank is a “Bank” of donated sick leave or vacation days which may be used by employees who are suffering from a catastrophic illness or injury.

- ***What is the history of the Classified Catastrophic Leave Bank?***

As a result of agreements with the California School Employees Association (CSEA), Chapters 724, 759, and 788, the initial open enrollment period for donations to the Bank was held in October 1999. Over 9,147 employees have now donated close to 92,301 hours of sick or vacation leave to the Bank. Since the program began, approximately 467 employees have been recipients of donated leave enabling them to remain in a full paid status while absent from work for various serious medical situations for up to 40 work days.

On November 13, 2007, a Memorandum of Understanding was adopted by the Board of Education and ratified by the Classified School Employees Association (CSEA) which resulted in changes to the collective bargaining agreement regarding donations and withdrawals from the Bank.

- ***What is a catastrophic illness or injury?***

A catastrophic illness or injury is defined as a severe or incapacitating illness or injury that is expected to continue for an extended period of time and prevents the employee from reporting for duty. Employees who may not perform their regular duties, but who are able to perform alternate duties or modified work will not be eligible for catastrophic leave unless the District is unable to provide such alternative or modified work.

Employees receiving compensation while ill or injured under Worker’s Compensation provisions are not eligible to withdraw days from the Bank until exhausting such benefit.

Donations to the Classified Catastrophic Leave Bank

- ***How do employees make a donation to the Classified Catastrophic Leave Bank?***

The employee who wishes to participate in the Classified Catastrophic Leave Bank must donate one (1) full salary sick leave day or one (1) full salary vacation day to the bank **annually**, in order to be a member of the Bank for the calendar year in which the donation is made.

In order to be a member of the Bank, the unit member must be a permanent employee of the district. ***Probationary employees are not eligible for membership.***

It is the responsibility of the employee to make an annual donation to the Bank in order to maintain membership.

- *Is there a minimum or maximum donation?*

For membership in the Bank, an employee must donate at least one (1) full-salary sick leave day or one (1) full-salary vacation day *annually*, in order to be a member of the Bank for the calendar year in which the donation is made. For employees who are working less than full-time, the hours donated will be prorated accordingly. While there is no maximum number of days that can be donated, employees are encouraged to be cautious in making large donations of sick leave that they may need for their own use in the future or wish to convert to service credit to improve their monthly pension benefit under Public Employees' Retirement System (CalPERS) upon retirement.

- *Is this an annual donation?*

Yes. Donations will be solicited annually during the month of January, for membership during that calendar year (January through December). However, nothing precludes any eligible permanent employee from donating to the Bank at any time. If an employee elects to donate to the Bank at a time other than the annual open enrollment period of January, the employee will be a member of the Bank for one (1) year from the date in which the donation form was received in Human Resources.

- *If an employee chooses to make a donation of sick or vacation leave to the Bank, may the donation be designated to assist a specific employee?*

All donations of sick or vacation leave are general donations, and may not be designated for any specific recipient.

- *When an employee donates to the Classified Catastrophic Leave Bank, will his/her eligibility for the annual attendance incentive program (if applicable) be affected?*

No, donating sick leave days to the Bank will not affect the attendance incentive program (if applicable).

- *Will district employees, other than those in the OTBS, OSS, and PARA bargaining units, be permitted to donate or request a credit of sick leave from the Bank?*

The management team and employees in the certificated and school police services bargaining units have negotiated a separate catastrophic leave bank to which they may donate.

- *What does an employee need to do to donate to the Classified Catastrophic Leave Bank?*

The employee must complete the attached form authorizing the district to debit the employee's sick leave or vacation account and credit the Classified Catastrophic Leave Bank with the number of days specified on the enrollment/donation form. **Please complete the form and return it as soon as possible to Gloria Rangel, Human Resource Services Division, Eugene Brucker Education Center, Room 1241.**

This is a annual donation to maintain membership.

Withdrawals from the Classified Catastrophic Leave Bank

- ***If an employee is suffering from a catastrophic illness or injury, what benefits are available from the Bank?***

Once an employee who is suffering from a catastrophic illness or injury has exhausted all full paid leaves (including all full-salary sick leave and vacation), the employee may request to withdraw up to 20 days of full-salary sick leave from the Bank, which may be used prior to exhausting their half-salary sick leave benefits. At the end of the 20-day period, an additional 20 days of full-salary sick leave may be requested only after the unit member has exhausted all half-salary sick leave benefits, for a maximum of forty (40) days to be used per catastrophic illness or injury.

- ***Does an employee have to be a member of the Bank to request a credit of full-salary sick leave from the Bank?***

Yes. An employee will not be eligible to receive sick leave credit from the Bank unless he/she has donated at least one (1) day of full-salary sick or one (1) full vacation leave to the Bank **annually**. Employees must initially be a member of the Bank for at least one-hundred and twenty (120) calendar days prior to being approved to withdraw days from the Bank.

- ***What is the procedure for an employee who is suffering from a catastrophic illness or injury to request a sick leave credit from the Bank?***

The employee should request an application for withdrawal of days from the Bank. If the employee is not able to request/complete the form due to the seriousness of his/her illness or injury, then a family member with the legal authority to act on behalf of the employee may request/complete the application. All completed applications **must** be accompanied by the district form (Physicians Statement of Catastrophic Illness or Injury) that has been prepared and signed by a licensed physician of the State of California stating the nature of the catastrophic illness or injury and the anticipated number of days the employee will be absent from work. Requests for an application for withdrawal of sick leave days are to be directed to Gloria Rangel, Human Resource Services Division, (619) 725-8172, Fax: (619) 296-7522 or by e-mail to grangel@sandi.net. All applications must be approved by the Director, Classified Personnel.

- ***What happens when an employee receives a credit of sick leave days from the Bank, but does not use all of the days?***

The unused days are returned to the Bank.

- ***Can an employee request a donation from the Bank to care for a family member who is suffering from a catastrophic illness or injury?***

No. Credits of sick leave may be used only for the catastrophic illness or injury of the employee.
