

# Parent Voices for Education San Diego

invites you for an evening of dialogue with parent  
leaders from throughout San Diego Unified School District

## Continuing our Conversation with Superintendent Carl Cohn

and

## Interacting with the Area Superintendents

Under the direction of Dr. Cohn, the district has been restructured into Areas. Each area includes about 25 Elementary schools and their neighborhood Middle Schools.

They are each led by an Area Superintendent. High Schools are served by their own Asst. Superintendent.

**Learn about the district's new structure & how it affects you.  
Get answers to the most pressing issues that face all of us  
in educating our children.**

**Please join us:**
