

# NASA and the Reuben H. Fleet Science Center

## Invite You to a Free K-12 Educators Workshop!

Come participate in hands-on activities you can take back to the classroom presented by an educator from NASA's Jet Propulsion Laboratory. Then enjoy free admission into the Science Center exhibit galleries.

**Saturday, March 10, 9:00 a.m. – 1:00 p.m.**

9:00 a.m. – 9:15 a.m.

**Sign in and refreshments**

9:15 a.m. – 11:00 a.m.

**Accessing NASA Educator Resources**

Find valuable NASA educator resources online and sample fun activities from various educator guides.

11:15 a.m. – 1:00 p.m.

**Want to Borrow a Piece of the Moon?**

Participate in hands-on student activities relating to the moon and meteorites. Then become certified by NASA to borrow lunar and meteorite samples to use in your classroom.

**Call (619) 238-1233 ext. 847**

Space is limited so register early.

Workshop takes place in the Community Forum at the Reuben H. Fleet Science Center. All participants will be issued a certificate of completion at the conclusion of the workshop.
