

Dear Educators:

Panda Express is proud to partner with your local school district to provide educators with the Panda Express Chinese New Year School Program - a tool kit to teach and celebrate the Chinese New Year Holiday with your students.

On February 7, 2008, The Year of the Rat will be celebrated by millions of people in the United States and all over the world. This culturally significant celebration is one filled with teachable lessons relating to family, community and of course, food. Panda Express has designed a curriculum that is fun, interactive and educational to celebrate this Holiday with our community. The lesson is recommended for students in grades 2-4, but may be used at all elementary grade levels. The lesson includes:

- History of Chinese New Year
- How to draw the Chinese character for Good Luck
- Activity checklist leading up to Chinese New Year
- How to use chopsticks instructions
- Complimentary fortune cookies and chopsticks

To sign up for the Panda Express Chinese New Year School Program, please complete and fax or email the attached form by January 21, 2008. The curriculum and instructions will be sent directly to you. For more information about this program, please contact Melissa Moss at 626-799-9898 ext. 8535

Our mission at Panda Express is to “deliver exceptional Asian dining experiences by building an organization where people are inspired to better their lives.” We are inspired by giving back to the community we serve and hope you can utilize this tool to inspire your students.

Very Truly Yours,
