

## MISSION STATEMENT

The Association of African American Educators was founded to provide academic support and advocacy to students throughout San Diego County. The primary objective of our volunteer association is to address the educational needs and conditions of African American students enrolled in K-12 schools and to provide training and professional development opportunities for teachers, school administrators, and other related staff. Our association has been in existence since 1983 and some of our activities include:

- Annual Conference
- Scholarship Awards
- Monthly Workshops and Seminars
- African American Academy in conjunction with SDSU
- Personnel Support and Advocacy
- Meetings with area school Superintendents
- Tutoring and Student Support

Join AAE today!! We need volunteers for the following committees:
