

# UCSD EyeMobile for Children

## YOU'RE INVITED!!!!

Join the EyeMobile at Petco Park on Thursday, April 17th as the Padres take on the Colorado Rockies to raise funds and ensure that San Diego's preschool children have the vision they need to succeed in school and in life. Wear and tear of our current EyeMobile, due to age and high usage, requires us to secure its replacement, as well as obtain funding for future program expansion in years to come.

**Be a hero and join us in giving children the world to see!**

WHEN: April 17, 2008 @ 7:05pm

WHERE: Petco Park

WHY: Tickets are cheaper if purchased through the link and proceeds benefit San Diego preschool children & the EyeMobile.
