

Junior Seau Foundation Scholars of Excellence Application

The Junior Seau Foundation was established in 1992 to raise money and resources for programs that inspire young people to face life's challenges with enthusiasm, hope and dignity. Junior Seau uses his platform in the National Football League to raise money and resources for programs that help young people face their challenges with confidence. The Foundation's mission is:

To educate and empower young people through the support of child abuse prevention, drug and alcohol awareness, recreational opportunities, anti-juvenile delinquency efforts and complimentary educational programs.

As part of Junior's effort to help young people achieve their dreams, the Foundation established the *Scholars of Excellence* program in 1992. Through the *Scholars of Excellence* program, promising high school students who have the ability to be successful in college will receive financial support so that they may achieve their goals through higher education. There will be four \$10,000 awards, nine \$5,000 awards and fourteen \$2,500 awards. Four of the \$2,500 awards are designated to Oceanside High School, Junior's alma mater.
