

# San Diego Unified School District TEACHERS AND ADMINISTRATORS

## Science

**You are cordially invited to see the new science program that will be available to all SDUSD elementary classrooms beginning Fall 2008**

Members of the SDUSD Science Department will present this voluntary informational meeting. Topics to be discussed include the new FOSS curriculum, units of study, kit rotation schedule, and professional development schedule. Sample teacher materials will be on display.

**Choose to attend at any one of these ten convenient locations:**
