

## San Diego Unified School District

# Curriculum Implementation Professional Development – Earth Science (K-5)

Teachers will be introduced to *FOSS California*; review grade level specific Earth Science modules, teacher's guides, and Units of Study; and develop an implementation plan for teaching science in Fall 2008.

All teachers should plan to attend. Teachers will be paid workshop rate for attending. School sites are encouraged to attend as a grade level team as time will be given for collaboration.
