RE: EDUCATOR OPEN HOUSE & EDUCATIONAL TECHNOLOGY DEMONSTRATION

As the district launches the first site with the latest technological tools, known as the "Interactive Classroom", you are cordially invited to attend a Teacher Open House and Demonstration to view the latest innovations that will revolutionize teaching and learning.

Trainers will be on hand to demonstrate the Interactive White Boards by Promethean, short throw LCD projectors, a 3-dimensional printer, Apple media applications, DocuCams, presentation stations and additional educational technology. Don't miss the opportunity to see the latest innovations that will one day become an integral part of every teacher's classroom.

The Educators Open House & Demonstration is set for:

Thursday, July 24th
4:30 - 5:30 pm
