

San Diego Unified School District

Curriculum Implementation Professional Development – Earth Science (K-5)

Teachers will be introduced to *FOSS California*; review grade level specific Earth Science modules, teacher's guides, and Units of Study; and develop an implementation plan for teaching science in Fall 2008.

This training is offered as a make-up day for teachers who did not have a chance to attend the June/July training.

Date	Location	Time
Thursday, August 28, 2008	Pt. Loma Nazarene (Mission Valley) 4007 Camino del Rio South (92108)	9-11 am
Thursday, August 28, 2008	Pt. Loma Nazarene (Mission Valley) 4007 Camino del Rio South (92108)	12-2 pm
