

OPEN HOUSE FOR SDUSD GATE EDUCATORS

INTENSIVE CERTIFICATION PROGRAM

The **Education Department at UC San Diego Extension** will be holding an Open House event to provide information about an intensive certification program for teachers of the Gifted and Talented at San Diego Unified School District. Teachers, administrators and staff are welcome!

Stop in anytime between **4:30 pm and 6:00 pm on Tuesday November 18** to find out more about our **low-cost certification program** that can be completed in **four daylong sessions!** Program themes include:

- Identification
- Social/Emotional Needs
- Brain-Compatible Learning/Learning Styles
- Differentiated Instruction
- Working with Parents and Communities
- Working with English Learners, Culturally Diverse Learners, and Twice-Exceptional Pupils
- Underachievement
- History of Gifted and Talented Education
- Issues unique to San Diego Unified School District
- Technology and GATE

For more information about the open house event, please contact:
