

## CHINESE NEW YEAR PROGRAM

Chinese New Year is just around the corner and our Panda Express team would like to share our Chinese New Year program with one lucky classroom between January 19, 2009 and February 10, 2009.

This program includes a lesson plan that shares information about traditions and festivities associated with Chinese New Year. The program is geared towards Grades 2 through 4. Listed below are the activities that are included in the lesson plan:

- Visiting the Village Market Activity
- Year of the Ox Fact Sheet
- Tangram Activity
- Lai See Fact Sheet
- Bookmarks (with a Free Kids Meal with the purchase of a 2-Entrée plate coupon attached)

The lesson takes about one hour, and we will share the lesson plan with the teacher in advance so that he or she may help to lead the teaching.

If you are interested in this program, please contact me at your earliest convenience. Due to the increasing popularity of this program, we are limited in the amount of classrooms we can share this program with. As a result we will be fulfilling requests in the order that we receive them. I look forward to working with you.

Sincerely,  
Melissa Moss
