San Diego Unified School District
National Board Certification Program
2009-2010

Work smarter, not harder! In collaboration with National University, San Diego Unified School District wants to help you earn:

- National Board Certification
- A Master of Arts in Teaching Degree with a Specialization and Certificate in National Board Certified Teacher Leadership concurrently while completing your National Board portfolio
- Graduate level units or district salary advancement credit

The Teacher Preparation and Student Support Division has scheduled information meetings regarding the process of earning your master's degree and/or becoming a **National Board Certified Teacher**. Please select one Information Meeting from the list below:
