

Mira Mesa Town Council Meeting with John Lee Evans

Monday, March 2

7:00 p.m.

Mira Mesa Public Library

8405 New Salem Street

San Diego, CA 92126

***Mira Mesa Schools in 2020: What do
you want for our neighborhood
schools of the future?***

All parents and community members are invited to attend the Mira Mesa Town Council meeting where the main presentation will be with School Board Member Evans. In a previous meeting we addressed the turf for the football field, student concerns about double lunches, and early start times for high school. Our first graders will graduate in 2020 and we need to develop a vision for how we want to develop Mira Mesa schools, including greater decision-making at the community level.

Our Mission

All San Diego students will graduate with the skills, motivation, curiosity and resilience to succeed in their choice of college and career in order to lead and participate in the society of tomorrow.
