

Would you like to add a **MATH** authorization to your
credential?

***All districts need math
teachers!***

All you need is 1 course, EDSU 533-09, and it is offered
at Chapman University College, San Diego, starting April 2.

We will also refer you to CSET prep classes and other CSET resources.

Contact Andie Harvey at
(619) 908-6041 or Harvey@chapman.edu
