

SAN DIEGO UNIFIED SCHOOL DISTRICT

HOME/SCHOOL COMPACT

Wangenheim Middle School and the parents of the students participating in activities, services, and programs funded by Title I, part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve California's high standards.

This Home/School Compact is in effect during school year 2008-2009.

(REQUIRED HOME-SCHOOL COMPACT PROVISIONS)

School Responsibilities

The Wangenheim Middle School will:

- 1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables participating children to meet California's student academic achievement standards as follows:**
 - Through district support, the instructional focus of Wangenheim is to accelerate the academic achievement of all students by implementing a series of reforms aimed at ensuring that all students are provided effective teaching, high-quality instructional material, rich learning environments, and additional time and support to reach state academic standards, should they need it.
 - Teachers and administrators meet regularly to learn about research-based instructional practices. We learn through discussions, observations of practice, feedback, and monitoring.
 - All students, including those with special needs, have the opportunity to participate in after-school tutoring by classroom teachers. Other services include the extended-day reading and math programs, math tutoring, special education tutoring and summer school.
 - 6-to-6 offers after school academic classes
- 2. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.**
 - Parent conference will be held upon parent request made directly to the teacher or by a request made through the counselor.
 - Teachers will schedule a conference based upon student's individual need.
- 3. Provide parents with frequent reports on their child's progress.**
 - Report cards are issued six times a year at approximately six-week intervals. Our school year is divided into four quarters which make two semesters.
 - All progress reports will be distributed to students. Semester report cards will be mailed home.
 - Many Teachers will provide students and parents access to an electronic grading program (such as Parent Connect) so that progress can be monitored on a daily, weekly, or monthly basis.
 - Parents are able to contact teachers via phone, voice-mail, email or written notice to monitor their child's progress. Parents should expect a response from a teacher within a

week of contacting the teacher. If contact is not made, parents should contact the teacher through their student's counselor.

4. Provide parents reasonable access to staff.

- Parents can access the Wangenheim website (www.sandi.net/wangenheim) to learn about their child's teacher.
- Parents may reach Wangenheim staff through voice-mail, written note, email, or phone call. Staff members should be sure that parents know the best method for contacting them if they have any questions or concerns.

5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows:

- There are many opportunities for parents to volunteer and participate in their child's education, (for example, governance committees, special events, fundraising events, parent organizations, and in classrooms). Parents must arrange in advance 24 hours with individual teachers for classroom visits.
- Parents may contact Wangenheim's volunteer coordinator, Gina Vasquez, at (858) 578-1400, ext. 2210.
