

Pros of Teaming

Cons of Teaming

common content

discipline can be consistent

can be a comfort level for kids

get to know your kids

can stop teacher shopping

interdisciplinary units

organizing a parent conference

student teacher conflicts become an issue

hard to offer advanced classes/electives

getting to know your kids

make sure teams don't become smart and challenged kids

puzzle to give common preps for content

if move out of one teacher then have to move all teachers

students can be clumped together

can impact numbers

more teams means more constraints

you can build but will it works
