

*Special Ed Students (Active)

The *Special Ed Students (Active) Report provides a list of students at your school who have active Individual Education Program (IEP) records in Encore that are viewed in Zangle. Principals are expected to monitor this report on a monthly basis and verify that all students with special education services are listed appropriately.

*Follow the steps below to print *Special Ed Students (Active) report.*

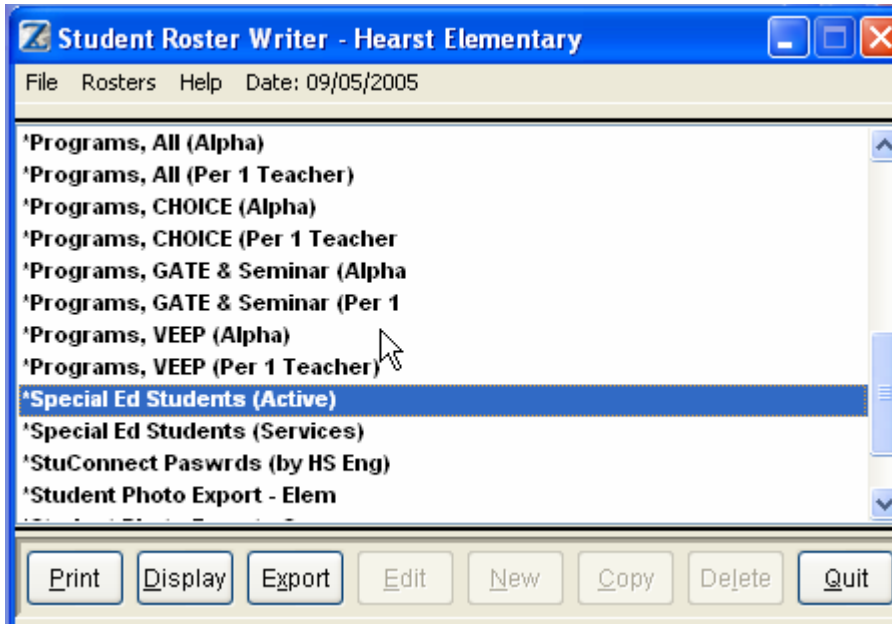

- Open Zangle. Click on Enrollment. Click Reports. Select Student Roster Writer.

Select Student Roster Writer.

- Select *Special Ed Students (Active).

By default, the report will select all students with active Individual Education Plans (IEPs) who are enrolled in the school location.

Click Display to get a preview of the report.

The name of the student's case manager should display here.

The students are sorted by Primary Service and by last name.

This is the date of the last IEP meeting held.

If a known special education student is enrolled at your school and is not on this report, or if the student's primary service is listed incorrectly, please have the Special Education case manager review the IEP in Encore for completeness and accuracy. Changes to this report can ONLY be made via the IEP process in Encore.
