

December Zangle Training Calendar

The December Zangle Training Calendar shows Zangle training classes offered in December in bungalows B5 and B6 at the Fremont Training Center (2375 Congress Street, 92110). These classes are for any SDUSD employees that use Zangle.

Please attend an *Introduction to Zangle* class or view our *Introduction to Zangle online tutorials* before attending other Zangle classes. The tutorials are located on our Zangle eLearning webpage. These mini-movies cover the various topics covered in our Introduction to Zangle class. Here is the direct link to the Introduction to Zangle tutorials:

IMPORTANT! Use the [Electronic Registrar Online \(ERO\)](#) registering application for our Zangle and PeopleSoft classes. Here is a link to a job aid on [How to log in to ERO and sign up for classes](#). This is the *only* way to register for a Zangle or PeopleSoft class!

This calendar is subject to change. Classes may be cancelled due to low registration.

SRN=Session Registration Number. This is the course number of the class. You may refer to this number when registering for a class using the ERO (Electronic Registrar Online).
