

November Zangle Training Calendar

The Zangle November Training Calendar shows **Zangle training classes** offered in November at the Fremont Training Center (2375 Congress Street, 92110). These classes are for any employees that use Zangle. Some courses, like *Enrollment*, are split into multiple parts. Anyone who attends Part 1 must attend the other parts of the same course.

IMPORTANT! Beginning August 2009, we are using a new online registering application for our Zangle and PeopleSoft classes. Here is a link to the new [Electronic Registrar Online \(ERO\)](#), and a link to the job aid on [How to log in to ERO and sign up for classes](#). This is the *only* way to register for a Zangle or PeopleSoft class!

Note: New employees that have had no Zangle training should attend the *Introduction to Zangle* class prior to any other.

A.M. = 8:00 to 11:00 a.m. P.M. = 12:00 to 3:00 p.m. unless otherwise noted.

This calendar is subject to change.

SRN=Session Registration Number. *This is the course number of the class. You may refer to this number when registering for a class using the ERO (Electronic Registrar Online).*

The calendar is on the next page.
