

May Zangle Training Calendar

The May Training Calendar shows Zangle classes offered in May at the Fremont Training Center (2375 Congress Street, 92110). Some classes, such as Enrollment and Attendance, have more than one part. You must attend all parts of the same section. When you register for a class, you will automatically be registered for all parts of the class. For more information on classes, please go to our Zangle Interactive Course Catalog at http://www.sandi.net/zangle/training/course_catalog/index.asp.
